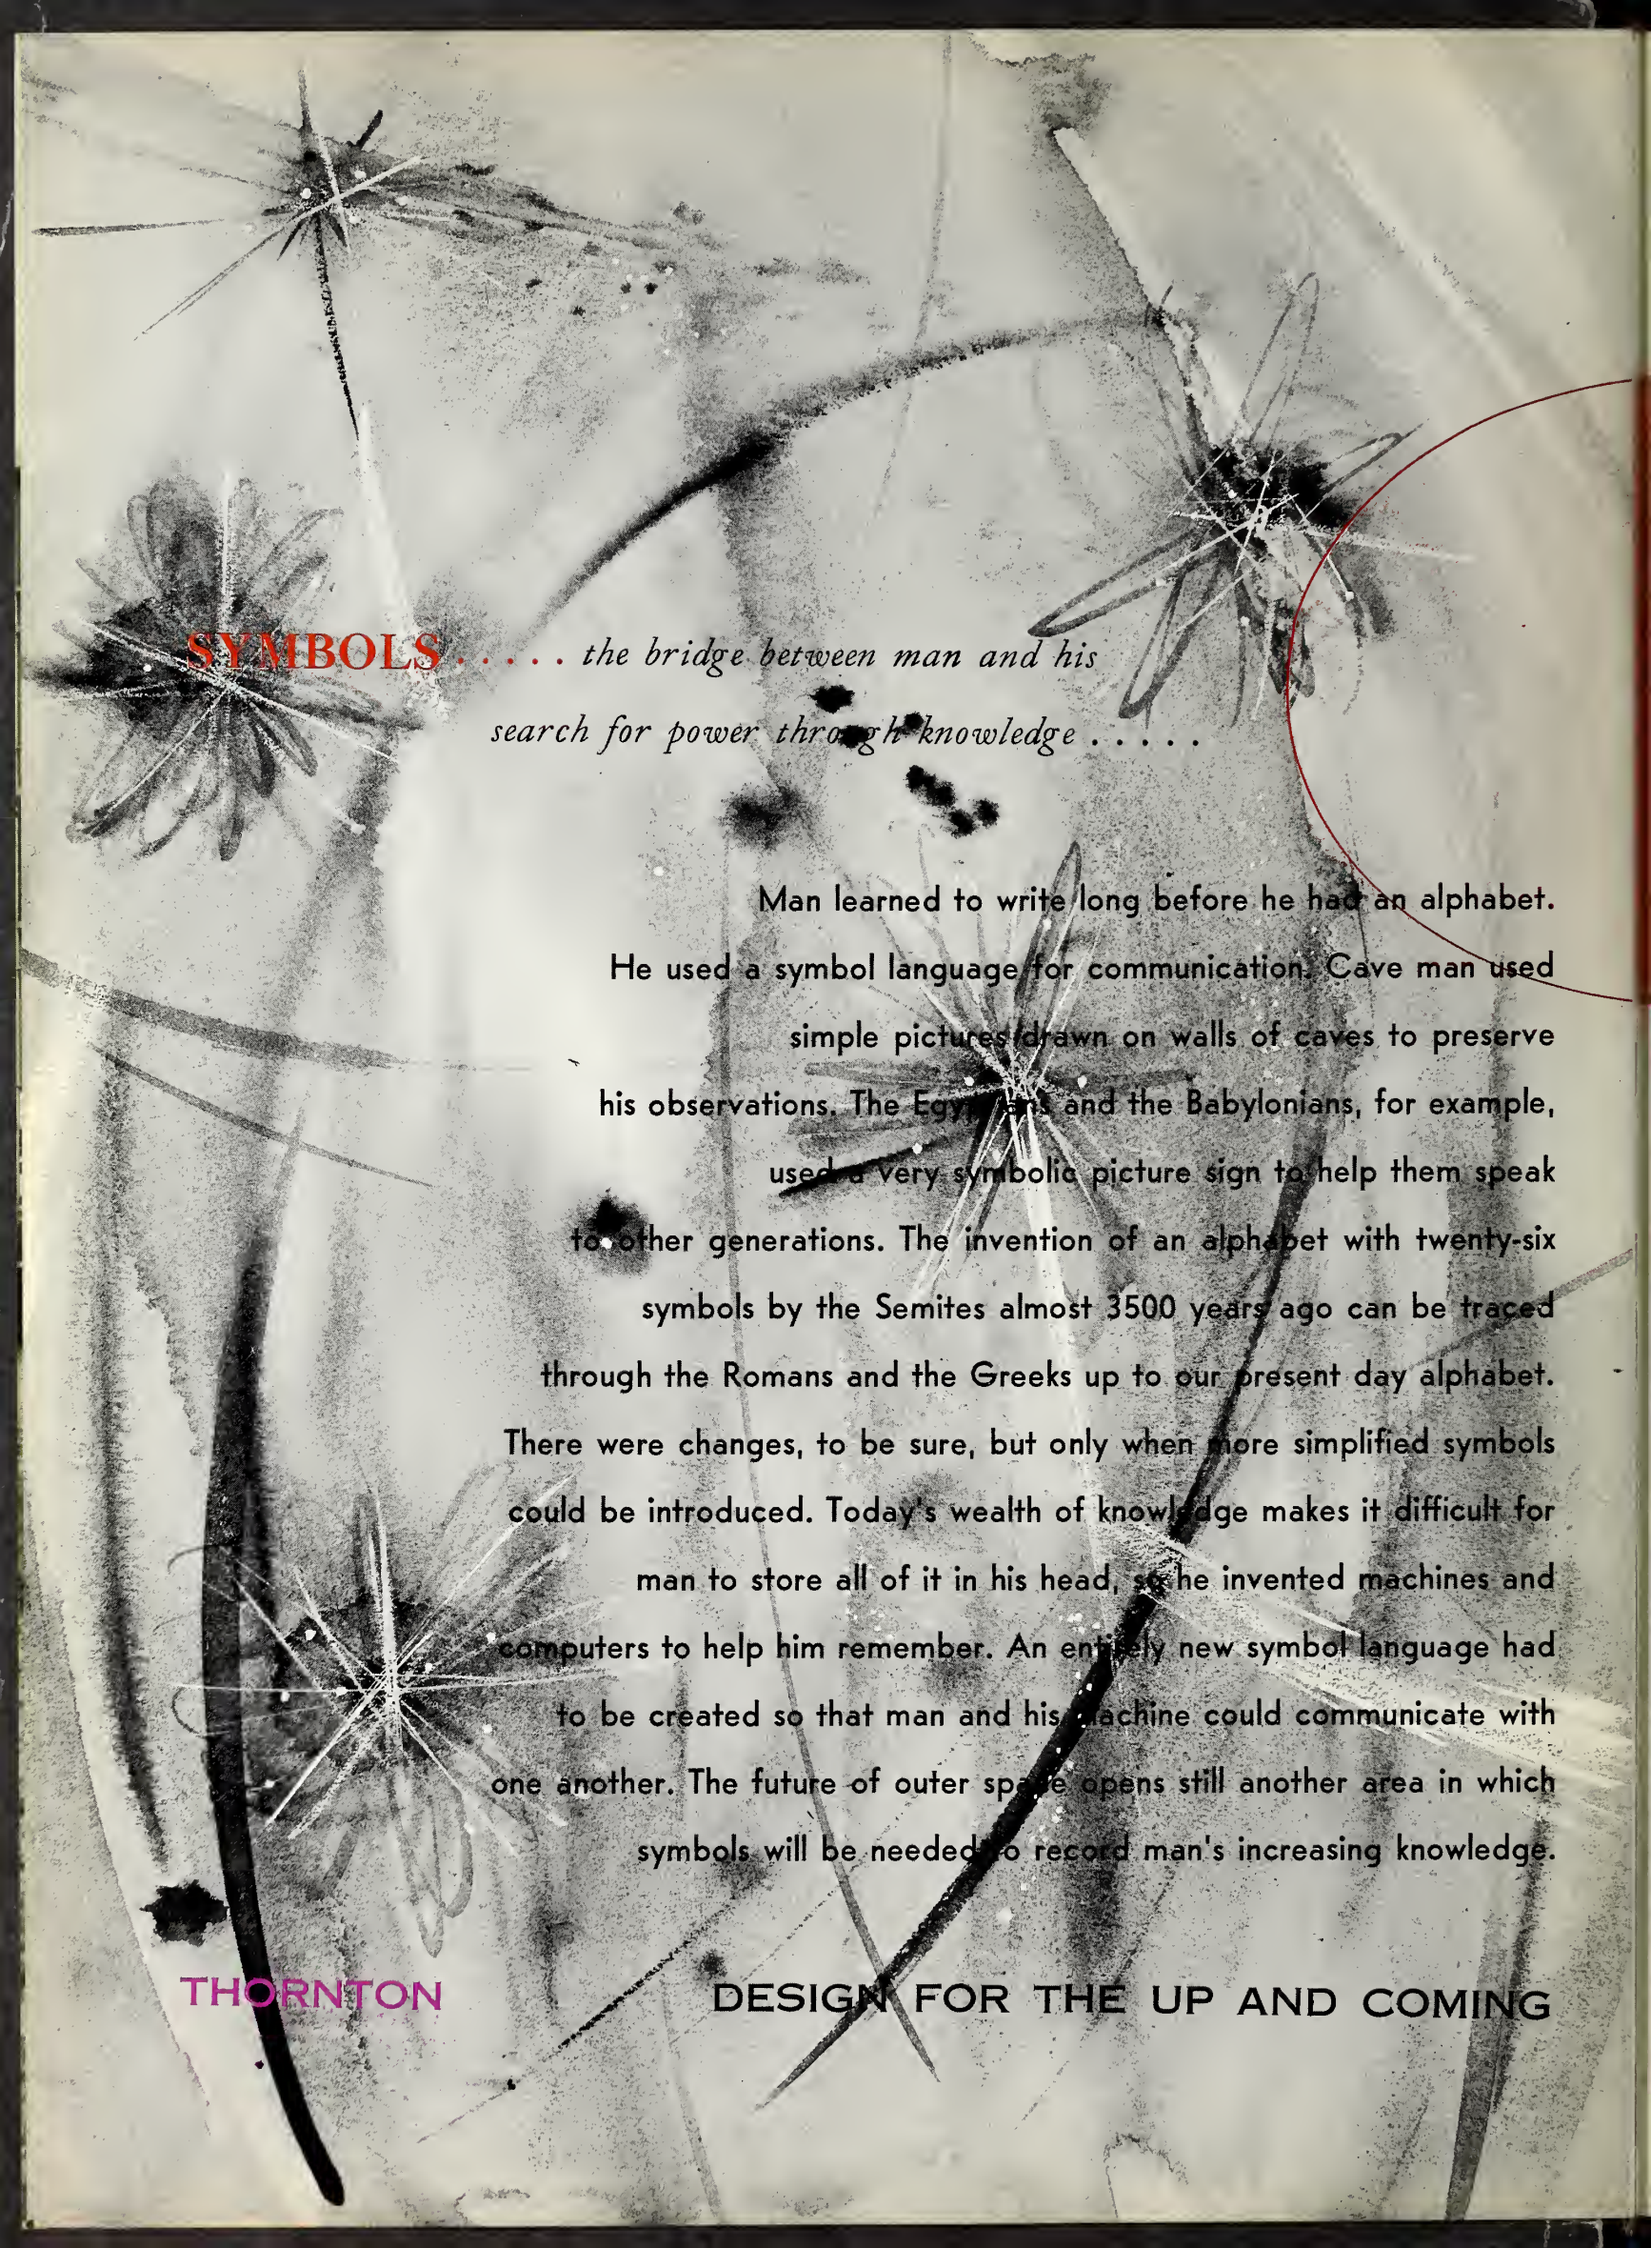
HIGH SCHOOL

An age of symbols makes education an absolute necessity in this most complex world.

HARVEY, ILLINOIS



SYMBOLS . . . . . *the bridge between man and his search for power through knowledge* . . . . .

Man learned to write long before he had an alphabet. He used a symbol language for communication. Cave man used simple pictures drawn on walls of caves to preserve his observations. The Egyptians and the Babylonians, for example, used a very symbolic picture sign to help them speak to other generations. The invention of an alphabet with twenty-six symbols by the Semites almost 3500 years ago can be traced through the Romans and the Greeks up to our present day alphabet. There were changes, to be sure, but only when more simplified symbols could be introduced. Today's wealth of knowledge makes it difficult for man to store all of it in his head, so he invented machines and computers to help him remember. An entirely new symbol language had to be created so that man and his machine could communicate with one another. The future of outer space opens still another area in which symbols will be needed to record man's increasing knowledge.

COUNSELING

Indian sign language used rippling water to indicate a smoothing out of trouble spots —an adjustment that good counseling brings.

More students, more problems, more counseling were now the rule at Thornton. How to get to college, how to read more books in less time, and where to find the answers in the library were just a few of those problems. National Honor Society solved two problems—how to raise money and how to encourage reading—by selling paperbacks in their Book Nook and through homeroom deliveries. College testing and scholarship applications were handled in the college counselor's office. The visiting counselor took over as dean of girls in a pinch-hitting measure when Miss Wilson announced her retirement at mid-year. Librarians and teachers helped students to get started on their research problems and gave them helpful advice along the way.

Through well-guided instruction, Industrial Education students are being prepared to meet the growing demands of industry. The department at Thornton provided occupational training in technical fields for both the Thornton and Thornridge students. Equipment new to the department shops included an engine lathe, basic electronic kits, dust collector system, acetylene welding tools, and heat treatment machines. A combination of electricity and metal-working courses, each one semester, was offered. Diversified Occupations students received on-the-job training to increase their knowledge of employer demands and to give them practical experience and know-how for future jobs.

Variety of shop courses fitted vocational needs of many boys

Special events in which the Industrial Education department participated enabled Thornton students to see how they rated with others in the same fields. These were the Chicagoland drafting competition at Illinois Institute of Technology, the Northern Illinois project fair at Northern Illinois University, and the local exhibit and project fair, May 24, as a part of the TTHS annual exhibit.

Thornton and Thornridge Industrial Education departments worked in conjunction to enable students of both schools to receive training in Vocational Auto Mechanics, Drafting, Electricity, and Machine Shop. Thus, duplication of some very expensive equipment was avoided.

Future homemakers were always glad to eat or wear their own creations

After cooking, the CLEAN-UP—Anne Marie Van Pelt, Margie Harris, Margaret Smolen.

Homemaking department kept Thornton's future homemakers busy. Girls learned how to cook and sew. Basic Homemaking II, a new course this year, was offered as a sequel to Basic Homemaking I. Girls were always delighted to have a chance to show off their talents. In December they held an Open House for their mothers. Foods classes provided Christmas breads, coffee, and tea; clothing classes modeled garments the members had made in class.

BUSINESS

Out of man's need for order came today's business structure founded on a system of checks and balances.

Variety of courses, modern equipment, and high standards combined to make Thornton's Business Education department an effective one. Besides the courses previously offered, two new ones were added this year—Basic Business and Basic Mathematics for Business. Typists, secretaries, bookkeepers got the training they needed before tackling jobs in business offices both in Harvey and in the city. Some of them got prior practice in the various faculty offices at Thornton.

New equipment added to the department this year included comptometers, Selectromatic typewriters (electric), and IBM transcribers. College-bound seniors, not enrolled in the department, took Notehand to help next year.

Lorraine Marinewitz uses the IBM TRANSCRIBER with the Selectric.

Carole Wrobel does a problem on the POSTING machine.

Business courses gave sales and office training

Distributive Education, the work-study program for Thornton's students, became increasingly important. Serving as hosts for the Area VI D.E. conference took considerable planning and interest. It was well enough done that two Thornton members were elected to area offices—Ken Fadke, president; John Powers, vice-president. Ken was also elected state publications director. Secretarial students typed and did court reporting for the Marine Corps. Others served as secretaries for a model United Nations meeting. To raise money, there was a car-wash project. To help others, members filled Christmas stockings and visited hospitals for Junior Red Cross.

COLLEGE

A complex, advanced step in man's urge to acquire knowledge—a diverse but systematic application of learning.

Science Department has kept astride of the increasing interest in science in the world today. With the addition of new equipment to the department, there was a greater student participation in laboratory work. Biology classes benefited from a new projector designed for viewing of charts and pictures. The theory of aerodynamics and air flow was shown more effectively to physics students by the new wind tunnel. Physics classes also saw the behavior of light through the wave motion machine. Many science students took part in the Thornton Science Fair. Best projects were determined by teams of judges. Winners also had an opportunity to compete at the district science fair, sponsored by the Illinois Junior Academy of Science.

Classes increased their use of language lab

Increased use of the laboratory for audio-oral instruction was the goal of the Foreign Language department this year. The twelve teachers in the language section were aided in their drive for improvement by the use of two new tape recorders and a new phonograph. In addition to the three modern languages—French, German, and Spanish—and the basic language, Latin, a new course was offered—beginning instruction in Russian. Those students who tried the course found it a real challenge.

Thornton's Mathematics department is always a busy one. Besides the usual courses of general math, algebra, and geometry, a new course of Probability and Statistics was offered this year. It was developed for those especially interested in mathematics, business, and statistics. Along with the new course came some new equipment—an overhead projector. It was used extensively in demonstrating graphing and constructions in a number of courses. The department also sponsored a visiting lecturer from a university to speak at a special assembly of mathematics students on the subject of modern algebra.

English and Social Studies departments are the two with the largest staffs at Thornton. English, under the direction of Miss Eleanor Nelson, has thirty-one teachers and Social Studies, headed by Mr. Clifton Satterthwaite, has twenty-two. The two required courses in that department are Social Studies I and American History. Four years of English are required of every student, except for a few trade students who take only three. A writing program, initiated with freshmen, is being carried through all four years.
Social Studies classes presented, in February, a very successful fair that drew large crowds. The department also sponsored field trips to Manteno for Psychology students, to the business districts of Chicago for Social Studies I students, and to International Business Machines for Modern Problems students.

LEADERSHIP—CLUBS

Man's need for recognition and for fraternity has made him build groups of common-thinking people together.

Thornton offers a large selection of places where students may act as assistants. Helping various teachers and administrators during a student's free period helps him to develop leadership qualities. Almost every department has made positions available to students who are interested in participating.

As gym class leaders, boys and girls enjoy a second gym period as well as satisfaction from helping teachers with their classes. As assistants to Mr. DeGraff, boys experience a variety of counseling duties. Functioning as a part of a well-organized publications staff also develops a student's initiative and interest in the welfare of his classmates and of his school, and it offers him recognition and commendation for a job well done.

Girls Club GROUP MEETINGS helped orient Thornton freshmen —Janet Oryhon (seated), Cheryl Geschke, Bev Older (standing).

Through group meetings, planning sessions, counseling, and work periods, Thornton students got the job done, whatever it might be. Girls Club counseled freshmen and other new students in the best ways to make good citizens of themselves at TTHS. Miss Wilson, as dean of girls and sponsor of the Girls Club, had endless planning sessions with her officers and committee chairmen. Newspaper distributors were responsible for delivering weekly papers to their homeroom subscribers and collecting money for any extra copies sold. Every student was responsible for carrying an identification card at all times, in school or on buses.

FEATURES

The star burst is symbolic of the color and energy reflected by man's social events—an escape from routine.

Curricular plays, which dealt with English studies appropriate to each class, were presented to student audiences. Casts and crews came from Speech classes and Theater organizations. In October freshman English classes saw "Opening Night," by Roland Fernand. Sophomores enjoyed William Saroyan's play, "The Man with His Heart in the Highlands," in January. Miss Susan Kirkpatrick directed both. Juniors saw Tennessee Williams' "The Glass Menagerie" in May. Mrs. Carolyn Benjamin was coach. "The Romancers" by Edmond Rostand, directed by Mr. Richard Pick, played to senior classes in February. This cast tied two others for first place in the district drama contest and took fourth in the sectional.

Thornton's competent Art Department offers eight different courses so each student can choose the type of art which interests him. All qualified fourth year students are given the opportunity to take Art Studio, which is an advanced course opening many new horizons. Art Heritage teaches the history and understanding of art. The entire Art Department took part in the Christmas decorations and the Festival of Art. New equipment included an etching press and a wood-working table.

Another new course was **ART HERITAGE**—Kandi Alteri, Dyanne Guerasimoff, Frank Dubose.

Gymnastics, Precision Dance were popular

Co-ed Gymnastics became more popular than ever at TTHS this year. When Precision Dance joined the list of activities and a group known as the T-ettes was formed, more girls had a chance to take part in these activities. Big project for the dance group was the dance show in March, sponsored by the Girls Athletic Association as an alternative to the swim pageant presented in the spring of the even numbered years. Interesting dance routines and attractive costumes planned and executed by student and faculty choreographers and designers made a great success of the show. Gymnastics groups presented their acts as halftime features at athletic events. Spectators at basketball games and students at all-school pep sessions had a chance to see what these performing groups could really do.

PHYSICAL DEVELOPMENT

Olympic Games beginning in Greece in 776 B.C. are used today as the symbol for our physical fitness program.

Physical education is a major part of each boy's schedule because all boys have to take four years of gym. Other subjects are taught, however, besides athletics. Each freshman has to take health education for six weeks. First Aid is required for juniors. Driver Education was a new subject this year for sophomores. Weight-lifting is available for juniors and seniors. A special project, Physical Fitness Tests, was initiated. Restrictive gym is designed for those boys who are handicapped because of injuries or physical disabilities. Two new tennis tables and gym mats were added to the equipment. Thirteen faculty members headed by Mr. Carl Mendenhall served in this department.

Boys learn PRECISION MARCHING in Mr. Willie Brown's class in the main gym.

RESTRICTIVE GYM was less strenuous—Carl Barnhill, Michael Radice, Gerald Csanyi, Jim Duck on the shuffleboard court.

Gym classes were strenuous or easy as needed

In FIRST AID class, Tom Mitchell, Mike Wilkens, Fred Silski practice artificial respiration on Richard White, Leigh Barker, Bill Mitchell under the watchful eye of Mr. Dick Foerch.

Girls P.E. classes had indoor, outdoor sports

Relay races on **SCOOTERS** were a lot of fun.

Linda Munson demonstrates a **TENNIS** serve.

Girls Physical Education classes, taught by ten faculty members directed by Miss Begnoche, had a very busy program this past season. As before, freshman girls had a combination of indoor and outdoor sports. Juniors and sophomores had a choice among sports, dance, and swimming. Seniors had such sports as tennis, bowling, golf, archery, badminton, and trampoline.

The new **AWARD BOARD** attracted Arlene Massick and Christine Mrozek.

In **ARCHERY**, bull's eyes weren't easy. Mrs. Beier, Joyce Kellogg, Mary Jane Celebucki check arrows in the target.

With the help of the Girls Athletic Association, the Girls P.E. classes held their annual Posture contest, picking four class queens and a top queen among the four. A dance concert, as well as a gymnastics circus and freshman track meet were also on the list of activities. After school during the second semester, Girls P.E. and G.A.A. opened a new course—life saving. T-ettes also got its start this year as a new precision dance group.

Jumping with ROPES was plenty of exercise.

Thornton students enjoyed watching games as well as participating in athletics. They watched football games with friends. Girls Club was in charge of refreshments at football games; Letermen's Club took over at basketball. Cheerleaders and the Band did a good job of creating enthusiasm. Fans enjoyed the exciting basketball games. There was gloom when the team was losing and joy when they were winning. Swimmers and wrestlers attracted their fans, too. Intramurals gave boys not out for varsity sports a chance to participate also. Taking everything into consideration, TTHS had a good all-around sports program, the kind in which students could take pride.

Stand-Up introduced freshmen to TTHS

Freshman girls and all others new to Thornton were guests of the Girls Club at the first big party of the year—the Freshman Stand-Up. The name comes from the time when TTHS was so crowded there was no room to sit down and so the party was called the Stand-Up. Traditional is the hand-shake line that gets longer as guests begin to arrive. Zany stunts by under classes are followed by the senior style show. Climax is the ceremony of crowning the queen. Songs, brief talks, refreshments follow.

In the **JUNIOR** stunt you were lucky if you were pulling instead of being pulled along the floor.

Traditional **HAND-SHAKE** line got long, then longer as Miss Wilson and officers greeted the guests.

Homecoming parade floats showed imagination, hard work

Homecoming weekend was a success again! It began on October 19 with an all-school pep rally. Theme of the weekend was "Memories Are Made of This." The parade of floats afterwards had entries on the theme, on the bond issue (coming up for vote), or the game with Argo. High point of the assembly was announcement of the new Homecoming Court. That night students piled into the bleachers to see Thornton win a decisive victory over Argo, 33-0. Purple X afterwards was crowded with alumni as well as Thorntonites. A quick sale of traditional buttons advertising Homecoming showed a high level of spirit. Records of the pep rally were popular, too. They included cheers, the fight song, and a speech by Coach T. B. Huddlestun.

Bugs Bunny dominated the BOYS CLUB float.

DEBONAIRES offered laughter, happiness, beauty.

Senior **CAR SMASH** drew a paying crowd after the old wreck survived the parade.

Homecoming dominated fall activities

Homecoming Dance, scheduled for Saturday night, October 20, came as the climax of a successful Homecoming weekend. Purple and white streamers, four silhouettes of a girl and boy dancing, and a wishing well were among the decorations in keeping with the theme, "Deep Purple." Plaque for the first place float in the parade was awarded to Girls Athletic Association again this year. Most exciting moment of the evening came with the announcement of the Homecoming King and Queen. Fred Harris and Sue Bayse, the winners, received their crowns from Donna Torrence and John McKibben, last year's royalty. Kathy Bartosh performed the coronation dance.

Everybody loves a PARADE, especially when the Thornton Band is at the head.

Gym Jams meant people plus lots of fun

At the **SHUFFLEBOARD** court—George Madrid, Dan Covey, William Eichorst, Pat Ryan, Wayne Savageau.

TRAMPOLINES were favorites among the pieces of gym equipment.

Two rip-roaring sessions of one of TTHS's most popular weekend activities—the Student Council Gym Jams—were promoted on September 29 and March 2. With a low price of 50¢ admitting any Thorntonite, students flocked to these fun affairs. The parties started at 7:00 and last until 10:30, by which time everyone was exhausted. Although dancing was not available, other gymnasium facilities were open to keep students busy. These included volleyball, swimming, trampoline, soccer, table tennis, and smash. Highlight of the fall gym jam was a basketball tournament. Funds raised at these KIP affairs helped to bolster the treasury for more student activities.

VOLLEYBALL players got in some powerful serves and rebounds.

Starbuck and Lizzy were **LEADING ROLES** in the fall play, ''The Rainmaker.''

Fall production, The Rainmaker, *drew good crowds both nights*

Starting off the year with a major production, Boys Club and Footlighters sponsored N. Richard Nash's play, "The Rainmaker." The production, directed by Mr. Larry Owens, was given on November 16 and 17. Mr. Russell Hunt was technical director. Setting for the play was the old West about the turn of the century. With the great drought which faced ranchers at that time, any help was accepted. When the Rainmaker came along promising to bring rain, they asked no questions. Not only did he make rain, but he changed all their lives. Cast for the play was small—only five boys and one girl. Gay costumes, colorful lighting, excellent scenery and make-up made the production well worth seeing.

Thornton clubs kept busy with a variety of projects

Thornton organizations had a well-rounded variety of projects this year. Key Club members had their candy sale in November to provide for scholarships and for their annual Bermuda Hop in the spring.
May Queen Court was the focal point at the Girls Club Mother-Daughter Banquet in May. The Court were chosen from among junior girls in an all-school election; the queen was selected by her classmates.
Among Language Department activities was the Christmas party in the JC Union Room. KIP Buzz Books gave students a chance to get acquainted. American Field Service sponsored one exchange student, Johanna Harder from the Netherlands. Other foreign students came too.

Imagination plus know-how added up to some

Madrigal Singers went **CAROLING** through the halls before Christmas.

Thornton talent produced some excellent results at social and musical affairs. Art students did themselves proud on the Christmas decorations at school and with their entries in art contests. Gold Key awards were forthcoming. Plenty of imagination and skill plus hard work produced beautiful floats at Homecoming. The Christmas concert took organization and staging to make the most effective use of large groups. Full-length plays for the public and one-act plays for school classes drew enthusiastic comment from everyone. Well-planned pep assemblies brought out the best in school spirit and school pride.

Thorntonites enjoyed celebrating Christmas

So many affairs at Thornton centered around Christmas. The Art Department had decorations in all the buildings. Girls Club and language clubs gave parties and so did other organizations. The faculty had a breakfast party the day before vacation. Mailboxes were stuffed full of cards. Everybody was wishing everybody else a Merry Christmas and a happy vacation. The sound of carols as the Madrigal Singers walked through the halls set the mood for everyone.

Mike Sypulski and Karen Meister admire the MOSAIC in which they had a part.

Boys' Night Out was theme of Girls Club dance

Turnabout weekend gave girls an opportunity to walk their fellows to class, carry their books, and take them to the Girls Club dance, "Boys' Night Out," February 16. Couples danced to the music of Dick Kress' sixteen-piece orchestra and enjoyed a half hour of student entertainment. Decorations were pink, white, and blue. Pierrot, a swing, and Pierrette were the center spot. An archway and garden bench in one corner vied with the soda bar opposite where Camera Club had set up picture-taking equipment.

Mr. Renfrow found out how easy it was to lose his SHIRT when Gary Koester jerked it off as Jean Edelhofer watched.

Couples enjoyed the DREAMY music of the band.

Paul Bowers and Pat Warino liked the GARDEN BENCH with hearts and cupids.

Community singing was part of the FUN when dads and daughters got together.

Dad-Daughter banquet was fun for all when the girls proved "Our Pops Are Tops." This annual affair was sponsored by the Girls Club. After dinner in the cafeteria, the 236 couples adjourned to the auditorium for the entertainment. Everyone joined in a community sing followed by an acrobatic solo performed by Kathy Kangas.
Mother-Son dinner gave the boys a chance to treat their mothers to a night out. This event, also an annual one, sponsored by Boys Club, took place February 9. After a dinner in the cafeteria, everyone went to the auditorium. There they heard the Mothers' Brothers trio and a lecture by Miss Gloria Treblesnoot, alias John Schmidtke.

Mothers' Brothers sang at the BOYS CLUB party—Bob Shannon, Rick Finnell, Ed Rotkvic.

Thornton's first Social Studies Fair was presented on Friday, February 8, 1963. Some seventy projects were entered in the fair, believed to be the first of its kind in the United States. Visitors had the rare opportunity of viewing interesting exhibits and demonstrations displayed by Thornton students and special exhibits donated by organizations including the Illinois Bell Telephone Company, the Adler Planetarium, and the Cook County sheriff's office. The judges, headed by Congressman Edward Derwinski, awarded the Best of Show trophy to a musicale, "America Sing On," first place awards to a display of the alphabet from early to modern times, a report on the Abominable Snowman, and GAA's presentation of PE costumes through the years.

CLUBS

Thornton clubs appealed to many interests both in and out of school hours

Purple X Committee is the organization which handles open house dances after home football and basketball games. With Mr. Henry Harms as adviser, PX sponsored fourteen dances this year.

New members are elected by a faculty committee on the basis of scholarship, integrity, dependability, and willingness to work. Old members have a chance to suggest names. At the monthly business meetings, plans and policies are discussed. Besides working at the dances, members sell tickets during home room and lunch periods as well as at the door.

Purple X gave moral and financial support to the American Field Service, of which it is an active part, and financed an all-school assembly.

At the annual banquet in April, old officers installed the new ones and initiated the recently elected members to serve next year.

BUZZ BOOK. Gail Spangler, Pat Knowles.

KIP, Thornton's **Student Council,** aims to promote activities and projects that serve the best interests of TTHS and its educational objectives. The name is derived from the school motto, "Knowledge Is Power."

Members are the students of Thornton and the sponsor, Mr. Thomas Hanrahan. Executive Board and Forum are the two governing bodies within the organization. The board of twenty-three members meets every day during home room and first period. Forum members, one from each home room, attend a workshop for training plus the monthly meetings.

KIP also sent students to conferences and conventions and on tours totaling over 12,000 miles.

On top of the KIP calendar this year was the exciting **Homecoming** weekend, beginning at 3:30 on Friday afternoon, October 19, after the pep rally. The theme was "Memories Are Made of This." Something new was added when a pep record was cut, complete with the singing of the "Alma Mater," and the rousing speech by Tiny Huddlestun.

Homecoming Court was announced and received with great enthusiasm. The King and Queen were crowned at the festive Homecoming ball on Saturday night.

Two **Gym Jams**, one in October and one in the spring, were sponsored by KIP as money-making projects.

The ever new **International Supper** had unusual dishes from countries all over the world. Among the foods represented were chop suey from the Orient, chili from Spain, beek stroganoff from Russia, and western sandwiches from the American West.

Scweek!! **S**tudent **C**ouncil **Week** was a huge success as always. All the classes participated in special features like dress-up day and class distinction day. Forum members conducted an evaluation through homerooms afterwards to prepare for next year's Scweek.

LOST AND FOUND. Front: Rich Conant, Cheryl Jann, Jerome Crowder. **Row 2:** Janice Reeks, Bernadine Przgrosky, Angie Reeks.

Projects ranked high with this year's KIP. One of the first was **Freshman Orientation Day,** when upper-classmen helped new freshmen find their classrooms.

Buzz Book was published again, complete with telephone directory and maps of surrounding towns, as one of KIP's money-making projects.

Ambitious freshmen had their chance to take part, too. Freshman election assembly had many students shaking in their boots, waiting to give their speeches.

Lost and Found was a big help and brought many a sigh of relief from students who had lost big items or little ones, expensive or otherwise.

Forum Workshop met in Palos Park. Ideas and suggestions were exchanged with other schools and first-time Forum members were oriented into student council aims and procedures.

HALLGUARD CAPTAINS. Front: Richard Gavel, Gary Jordan, Howard Humbles, Dave Blake. **Row 2:** Nick Radice, Barney Eilers, Bill Doster.

Another successful year for **Boys Club** has come and gone. Mr. Mel DeGraff, dean of boys and sponsor of the club, plus Gary Koester, club president, headed the planning of the Father-Son Stag, which included going to see a professional basketball game. At the Mother-Son banquet in February, student talent groups entertained.

Boys Club sponsored the Speech Department play, "The Rainmaker." For their own members only, they had two Gym Jams, fall and spring. Their float won third place at Homecoming.

Other special projects included escorting eighth grade students on a tour of the school and providing hall guards for the corridors. Hall Guards have the responsibility of keeping the halls quiet and safe. With the Bus Guards and Campus Patrol, they contribute to the general orderliness at Thornton.

Girls Club projects kept members busy

Girls Club is a very active organization. Social affairs included a tea for new teachers, the Freshman Stand-Up, a birthday party for the exchange student, the Dad-Daughter and Mother-Daughter banquets, and the dance. Special assemblies were for Scholarship, Loyalty Day, and Careers and Marriage. Candy and Christmas tag sales helped to finance these affairs.

For an organization as large as the Girls Club, committees and more committees were needed—almost a hundred, in fact. The newly redecorated club room was in constant use and the reception room outside the dean's office buzzed. Girls performed such varied jobs as conducting group meetings to orient freshmen, acting as marshals at assemblies, and selling refreshments at games.

Newspaper staff published thirty editions

The Thorntonite newspaper, under the direction of Mr. Edward Olson, is a weekly newspaper publishing thirty editions per school year (fifteen each semester). On Wednesdays papers are picked up and delivered by homeroom representatives. Most subscribers pay by the year; a few buy single copies.

The paper was usually four pages, but on a few occasions, there were six pages, and once, only two pages. The Christmas edition was not only six pages but in three colors. New on the staff was a cartoonist, Bob Caproni.

Yearbook staff worked to meet deadlines

STAFF. Front: Carolyn Grotenhuis. **Rear:** Mary Griffin, Irene Herron.

Thorntonite Yearbook staff is directed by Miss Dorothy Washburn. Each staff member spends homeroom as well as one other period during the day in the office. In order to work on the staff, a student must have a B-average in English, the recommendation of one or more members of the faculty, and the approval of the sponsor.

New on the staff this year were six juniors. Always before, there had been only seniors. As the monthly deadlines rolled around, staff members and adviser breathed a sigh of relief when the last picture was cropped and the last comma was in place. Sale of sets of underclass pictures furnished by the photographer, besides the regular subscriptions, kept the budget balanced.

Language Councils

Thornton certainly didn't lack for language activities, especially at holiday time. **Language councils,** composed of representatives from the foreign language classes, arranged for programs designed to create new interests in each language and a greater knowledge of customs of the countries.

French Council sponsored Christmas programs, puppet shows, "Yule logs," and circulation of French newspapers.

Latin Council was represented by Winnie-the-Pooh in the annual Homecoming parade. At monthly meetings students gave reports on famous myths, played games designed to give them better vocabularies and knowledge of ancient history.

Spanish Council sponsored a Christmas tree collection and a contest with a Spanish record as first prize. It also prepared for the foreign language assembly in the spring.

German Council had its own collection for a Christmas tree and sponsored some Christmas skits. They learned German carols and sang them in Harvey one evening.

Entirely new was a class in **Russian,** but with only one class there was no need for a council.

Debate Club was active in tournaments at the University of Illinois (Chicago Division) and Augustana College.

Harvey Hoofers performed at the Homecoming dance, the Girls Club dance, the Social Studies Fair, and other Thornton as well as community affairs.

Thespians staged the fall production, "The Rainmaker," and the spring play, "The Miracle Worker." Students are eligible to this national organization only after earning required points. Since this chapter was organized in 1960, fifty-four have been initiated. A trip to the Loop to see "Carnival" was part of this year's initiation.

Orchesis, creative dance group, learned choreography and performed at a dance concert and Fine Arts Festival.

Literary Club, a new group, edited a publication of student contributions. All Thorntonites were eligible.

PERIGON CLUB. Front: Laurel Rasplica, secretary; Vincent Radice, president. **Row 2:** Stephen Mey, vice-president; Tom Redvay, treasurer.

Chemistry Club members helped plan the TTHS Science Fair, took field trips to local industry, and had a speaker from Inland Steel. Several members gave special chemical demonstrations for the club. Mr. Fred Ring was the sponsor.

Biology Club aimed to stimulate research and to encourage careers in biology. Each member had a project for the Science Fair. Mr. George Laird was their sponsor.

Perigon Club was especially interested this year in Modern Algebra. They published a monthly newsletter for all math students and brought a math lecturer who spoke to classes and to a math assembly. Miss Brushfield, Mrs. Bukwa, Mrs. Schmidt, and Miss Seebach were in charge.

Social Studies Club did much to promote the Social Studies Fair in February, a new event. They sponsored a model United Nations, a trip to Washington, D.C., in October, and a banquet in May. Mr. Miller and Mr. Caster were advisers.

Diversified Occupations Club is for members of the D.O. class who combine school and on-the-job vocational training. Mr. Fowler is the sponsor. They had field trips and a banquet.

Distributive Education Club is for all working members of the D.E. class—those with part time sales jobs in local businesses. At the Area VI conference in February, Ken Fadke and John Powers were elected president and vice-president.

Radio Club helped several students obtain their licenses and worked toward a school radio station. Every member had to complete a project—building a radio, practicing code, or testing equipment.

Future Teachers of America encouraged students to enter teaching as a career. Speakers, film strips, and visits to colleges were on their list of activities.

Projectionists provided audio-visual equipment and materials to faculty on a dependable basis. They showed 1400 instructional films this year plus other instructional materials.

Liberets, library service group, belong to the S.S. Library Aides Association and earn awards, based on service at TTHS.

Youth for Christ, a non-denominational religious group, provided a spiritual touch to TTHS. With Mrs. Baltrusch sponsoring, the club had interesting projects, rallies, and speakers.

Pep Club, directed by Miss Toland, provided the "pep and steam" for cheering sections at athletic events. They sent buses to away games and sold ribbons, buttons, and pennants.

Junior Red Cross, with Mrs. Adamek as sponsor, promoted student interest in Red Cross activities. Parties-in-a-box, Christmas stockings, and gift boxes to the needy were their projects.

Key Club, sponsored by Mr. Ray Sherman and Mr. Arthur Harms, purchased paper-back books for the library, gave away canned food, and helped Kiwanis with peanut sales. They gave a spring dance, a bermuda hop, and a scholarship award.

Camera Club members, under Mr. John Jenkins, earned award points through photo competition. Prom pictures were their specialty.

Debonaires, a self-improvement club with emphasis on teen-age manners and grooming, had style shows, lessons, and parties planned by Miss Raglin and the members of the club.

A common sight throughout the day was busy **Class Counselor's Assistants** running errands. These girls also acted as receptionists, typists, and clerks. There was never a dull moment while they were on duty.

Helping out at the **Bookstore** was another group of willing assistants. Among their duties were filing, checking registers, selling, delivering orders, and taking annual inventory. All sorts of school supplies were on their shelves; fee tickets were sold there too.

Busy also were the **Nurses' Assistants** who acted as receptionists, did clerical work, and performed odd jobs for the nurses.

Duties of the **Rental Library Assistants** included maintaining the books which English teachers used for their students.

Social Studies Assistants, working in office 258 one period a day, did the filing, typing, and numerous clerical chores connected with the Social Studies department.

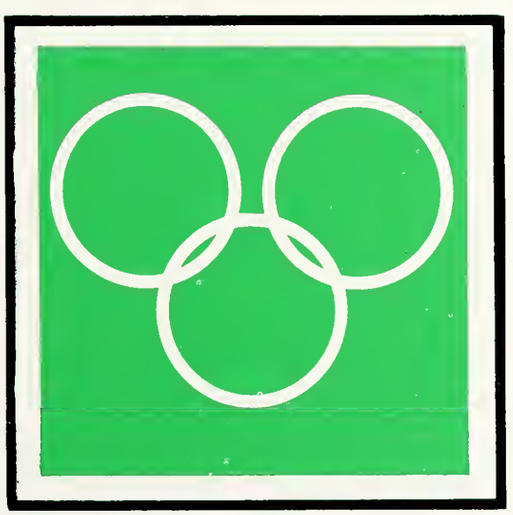
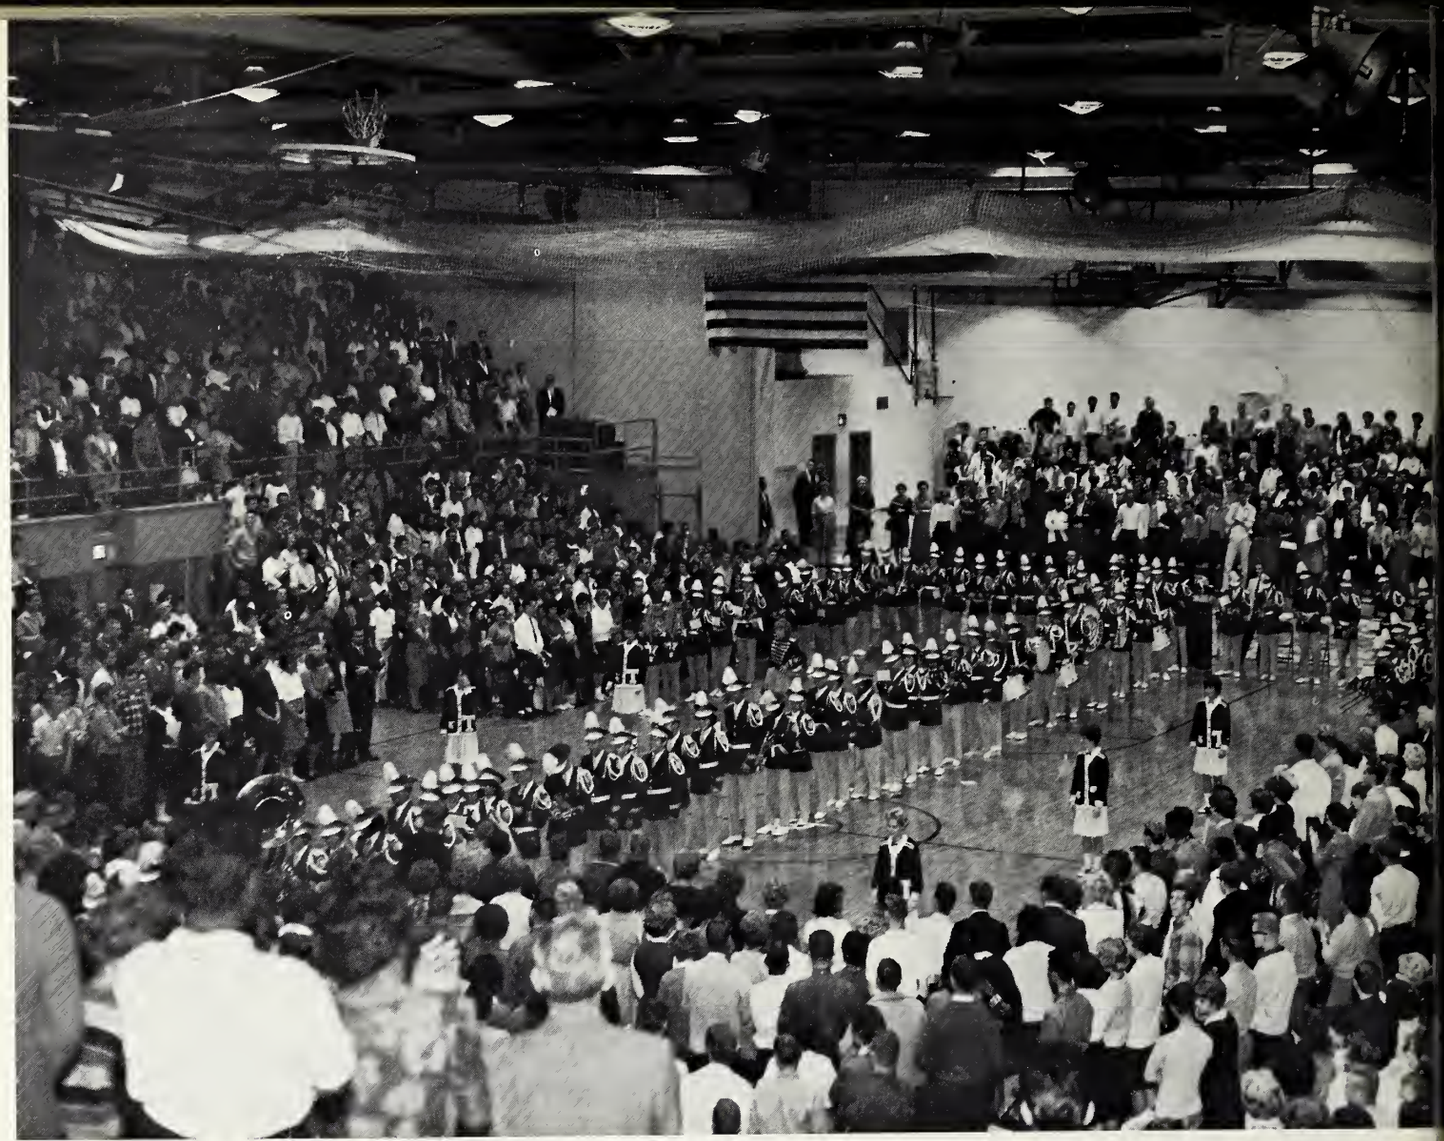
ATHLETICS

Major sports plus intramurals gave everyone a chance to play a game





With the Band in T-formation, any PEP assembly was off to a good start.

Thornton is a school of sports enthusiasts. There are those who make the teams and those who watch the games. There are the service groups who see to it that school spirit stays at a high level. Pep Club has an organized cheering section; Game Ushers keep the crowd in order. Band furnishes the music for school songs and to whip up enthusiasm. Cheerleaders keep that spirit channeled in the right directions. Refreshment crews keep the crowds well fed. Faculty ticket-takers and officials see to it that all goes well when Thornton fans get together.

Girls Club **REFRESHMENT CREW** members did a big business—Ruby Cornwall, Pat Thorstad, Sue Wasilkoff, Lynn Perlman of the candy detail.

Faculty officials kept time and scores—

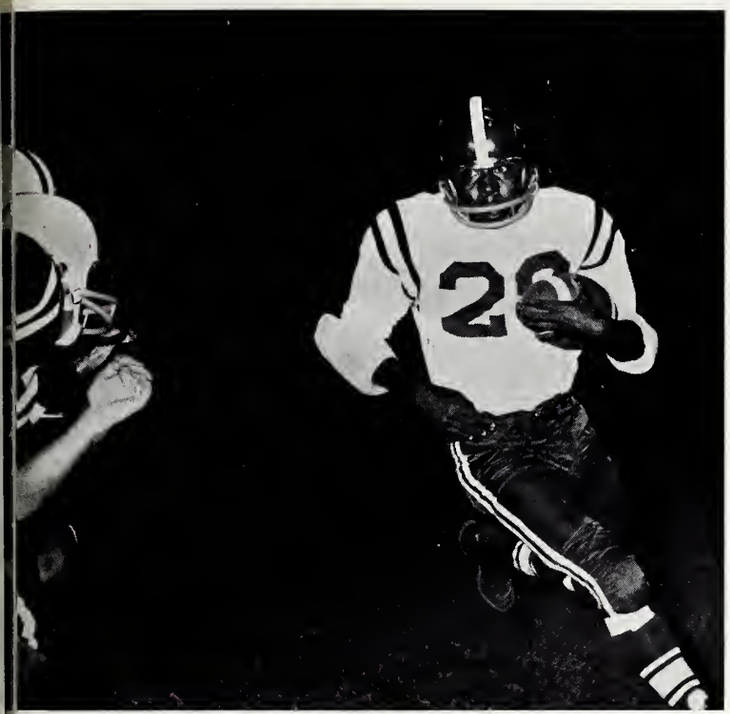
Thornton athletes worked for championship records

Girls took over score-keeping jobs at swimming meets—Ann Massick, Joanne Levolis, Lana Fattig (sitting), Jan Brown, Miss Shillinger, and Mr. Gest (varsity coach).

A combination of hard practice and cooperation helped to make the '62-63 sports season a pretty good one. In the fall, football players worked hard to win, while swimming fans got a treat from the girls who helped keep score during the home swimming meets in the boys' pool.

Boys and girls alike cheered Thornton's teams on to victory in just about every sport. There was added participation in the swimming, wrestling, and track meets as students became more and more interested in the success of their teams.

Intramurals also had large participation as both boys and girls found outlets from the everyday routine in bowling, swimming, and basketball. Everyone enjoyed the competition produced by the basketball tournament which showed that talent exists among the average students. The awarding of trophies to the winners in different sports was a means of encouraging the students to take a part in intramural athletics.



Tom Webster carries the ball in the **ELGIN** game.

Thornton athletes met new competition this year in every sport and from almost every school. Endurance and plenty of pep kept Thornton on top in many tight games in basketball, baseball, gymnastics, track, and cross country. By thus maintaining plenty of team spirit and drive, the old tradition of mighty, mighty Thornton's winning ability has been kept alive and growing.

One of the organizations that has helped Thornton's traditions keep pace with the competition is the Lettermen's Club, made up of boys who have received varsity letters in major sports. This organization has some of Thornton's finest athletes.

Among its activities is the selling of refreshments at home basketball games. When it comes time for their annual banquet in May, senior members are proud to bring their dads. With the aid of such clubs as this, the Thornton Wildcats' athletic teams can attain the championships they seek.

For Trainer Fred Turner and coaches Frank Bauman (kneeling), Tiny Huddlestun, and Bob Blaha tensions mount at halftime of the B.I. game.

Thornton's varsity football team had a poor season this year. Finishing with a 1-6-0 record in conference and a 2-6 overall record, the Wildcats ended in last place in the South Suburban League.

Only victories were over two teams—Elgin, 25-7; and Argo, 33-0 in the 1962 Homecoming. Losses were to Waukegan, 28-0; Joliet, 32-0; Kankakee, 14-7; Thornridge, 25-0; Blue Island, 26-0; Lockport, 26-7; and Bloom, 34-13.

Halfback Tom Webster inspired the Thornton team with his speedy "Tomcat" running. Breaking a twelve-year record, he gathered 895 yards rushing, compared to the 803 yards made by Wayne Benson in 1948, and was the only Thornton man named to the All-Star team. Squad leaders were the seniors Jim Swiatek, Dave Kolton, Bill Doster, Doug Holloway, Paul Congo, and the juniors Jack Sutton, Jim Capolillo, Vernis Mims, and Tom Jones.

Head coach T. B. Huddlestun, assistant coaches Bob Blaha, Frank Bauman, and Bill Purden were somewhat saddened by the team's record; but they all expressed hopes for a good season next year. With the up-and-coming talent at Thornton, next year's team should prove to be a good one.

Soph season was bleak

SOPHOMORE FOOTBALL

Wildkits had quite a dismal season. The team completed nine games for a 2-6-1 record and made a total of 52 points.

The team started off their season by shutting out Waukegan, 7-0. They lost the second game to Elgin, 26-19. Next, Joliet beat Thornton, 10-0; and Thornton lost to Kankakee, 19-0; but the Kits tied Thornridge, 13-13. Their hopes brightened, at Homecoming, when they beat Argo, 13-6. Next, the team was defeated by Blue Island, 6-0. They finished the season by losing to Lockport, 32-0; and Bloom, Thornton's arch rival, 14-0. Although they didn't have many wins, the players gained experience for the future.

Main defensive players for the Frosh-Soph were Kip Nygren, Wally Olczak, and Willie Davis. Main offensive players were Phil Pettice, Ron Burns, and Willie Cole. Other stand-outs this year were Jerry Richardson, Keith Erickson, Pat Brewer, and Skip Mear.

Wildkits were trained by coaches Willie Brown and Joe Keane. Next year, nearly all of the boys will be returning; so that season should prove to be a very good one for Thornton.

FROSH, JV SEASON

The success of Thornton's grid teams was highlighted this year as the freshman football squad tied Blue Island for the SSL championship.

They defeated Bloom, 14-6; Blue Island, 13-6; Kankakee, 20-13; Thornridge, 19-6; Argo, 14-6; and Lockport, 39-13. They lost to Joliet, 6-0.

Fullback Lamarr Thomas aided the future Wildcats to maintain a 6-1 overall record along with teammates Bruce Derr, Neil Brown, Ken Soderquist, Butch Mech, Randy Kemp, Paul Bowers, Bill Shelby, Duane Kaminski, and Dave Murray.

Coached by Ted Czech, Dick Bruno, and Ken Gest, the freshman team should certainly bring victory to Thornton's gridiron in the future.

Junior Varsity had a very good season. A three-game total was played for a 3-0 record.

JV's beat Bloom, 13-12; Blue Island, 7-6; and Argo, 27-6. Coaches were Frank Bauman and Bill Purden.

Main offensive players were Bob Blackmon, Paul Congo, Jim Capolillo, Paul Owens, and Jim Cox. A group of defensive stand-outs include Jim Gilmore, Bob Bradshaw, and Jack Sutton.

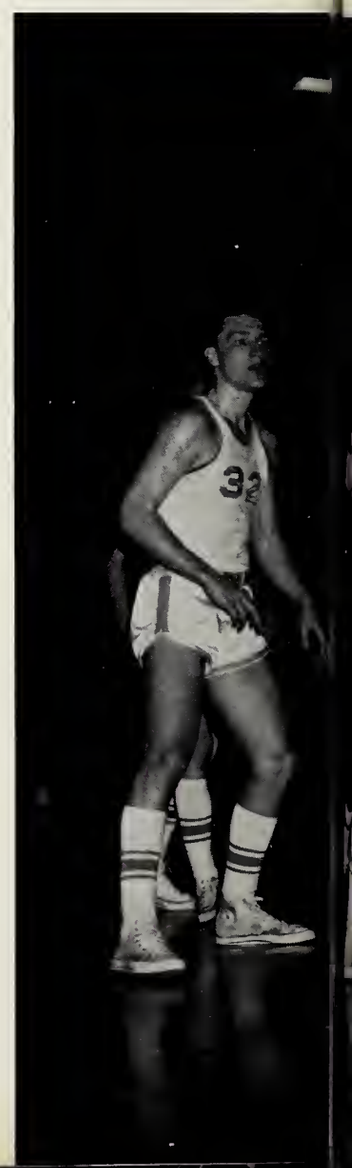
Hank Robinson makes sure the ball goes in against Thornridge in the REGIONAL tourney.



Names like Bob Covert, Emerson Bouchard, Bob Jackson, Mel Bonner, Leroy Brody, Vic Jackson, Ray Elmore, and Harry Hall will be the ones to watch next year. These players along with seniors Hank Robinson, Charles Jolliff, and Jim Harris made up the main body of Thornton's well-rounded '62-'63 basketball team. Displaying the best of basketball, the team was working for an even better squad for next year.

Added talent will be available from a sensational Frosh-Soph team that captured the conference title. Sparked by the excellent playing of Harry Hall, Dave DeRuiter, Victor Jackson, and Bob Landowski, they proved to be a top-rate team.

The Freshman squad, led by Lamarr Thomas and Richard Halbert, compiled a record of 11 wins and 5 losses and displayed talent that could make them great next year.

Good basketball team this year promises champs for next time

Thornton fans saw some good basketball this season as the Varsity basketball team, predominantly juniors, won 15 games and lost 9 in over-all competition, had an 8-6 conference record, and gained fourth place in conference.

Led by Jim Harris, Bob Covert, Bob Jackson, and Hank Robinson, they captured second place in the Regional Tournament, losing only to the Eisenhower Cardinals in the final game. Competition this year in the South Suburban League was rough as was shown by Thornton's victories over Kankakee, who finished third, and Lockport, who finished second, both higher than the Wildcats.

There is a tinge of victory in the air around Thornton which will become even more pronounced next year when the junior and sophomore stars of this year will be eyeing the state championship.

Team co-captains this season were Bob Covert and Jim Harris. The latter was voted most valuable player of the year by his teammates.

Sophomores were conference champs

BASKETBALL

Wildkits, coached by Robert Anderson, had a great season this year. They were conference champions for the second year in a row with a record of 12 wins and 2 losses. During the season the team played a total of 19 games. They ended with an overall record of 17 wins and 2 losses, the same as last year's mark. Managers of the team were Phil Krick and Mark DeYoung. Seventeen boys were awarded letters this season. Co-captains were Victor Jackson, Harry Hall, and Dave DeRuiter. Some of the outstanding players were Meryl Ayers, Lee Cole, Larry Seiner, Todd Gammill, Jim Thompson, Ken Whitted, and Bob Landowski. Thornton can be proud of this team.

BASKETBALL

Not wanting to be outdone by the upper classmen, the Freshman basketball players tried hard to win and succeeded. They compiled a record of 11 wins and 5 losses which placed them with the top Freshman teams in the conference. Coached by Willie Brown and William Fink, the boys from the surrounding grade schools turned into a very good squad.

During the earlier part of the season, they were spearheaded by 6 foot 2 inch Bob Landowski, who was moved up to the sophomore team. Two of his teammates, Lamarr Thomas and Richard Halbert, were able to make up for the loss as they both played excellent ball and were backed up by Richard Wheeler, Alan Nudo, and Garland Mays.

F-S matmen make creditable record

Thornton wrestling prospects were bright this year as both freshman and sophomore boys turned in good performances in all of their meets. The team compiled a respectable record of ten wins and only five losses while taking fifth place in conference competition. Outstanding matmen were Danny Savage, Darryl Murphy, and Willie Cole.

Coached by Dick Bruno, they gained victories over Oak Lawn, 38-15; Thornton Fractional North, 47-10; Bloom, 41-11; Lockport, 24-20; Rich East, 28-18; Thornton Fractional South, 23-22; Argo 29-19; New Trier, 31-16; Kankakee, 32-15; and Thornridge, 28-22. Varsity wrestlers turn in fine performance

Varsity wrestlers, coached by Ted Czech, had a very good season this year. Their record for the '62-'63 season consisted of 8 wins and 6 losses, second place in conference, first place in district, and fifth place in sectional competition.

Dave Blake and team captain Jack Sutton both won their sectional matches and their right to go downstate. Thornton has promise for next year in Jack Sutton and Eldridge Hawkins, both juniors; and John Bowen, a sophomore who took conference at 95 pounds. In the heavyweight division, Sutton surprised everyone by winning his district and his sectional matches. This year's top performer was Dave Blake, who captured first place at the conference, district, and sectional meets, wrestling in the 154-pound class.

Thornton victims were Oaklawn, 22-21; Joliet, 28-14; Bloom, 34-13; Lockport, 29-21; Argo, 35-9; New Trier, 27-18; Kankakee, 41-5; and Thornridge, 20-18; while losses were to Waukegan, this year's state champions, 31-15; Thornton Fractional North, 25-21; Lyons, fifth in state, 29-16; Blue Island, 28-17; Thornton Fractional South, 30-16; and, Rich of Park Forest, 24-22.

Gymnasts, co-ed and

Co-ed gymnastics class was a very enthusiastic group this year. They received their instruction from Richard Foerch and Miss Sharon Schillinger. The class had a total of 42 members: 21 boys and 21 girls. The class enrollment consisted of seniors, juniors, sophomores, and freshmen. To be admitted to the gymnastics class, a boy had to exhibit feats of balance and strength. Girls had to possess agility, have good rhythm, and show dancing ability. They practiced five days a week for one period each day at Buda Gym. During practices, the main objective of class members was to perfect exciting stunts. They also practiced several routines that appealed to the spectators. Members of the class were able to demonstrate their ability at several of the basketball home-games during the half-time periods. They performed stunts in tumbling as well as on the trampoline, rings, parallel bars, high bar, and side horse. They also gave performances at many of the near-by grade schools, hoping to create an interest in gymnastics. They sponsored a bus trip to attend the ISNU circus.

teams improve rapidly

Varsity and Frosh-Soph gymnasts had good seasons this year, but for next year Coach Dick Foerch has hopes of getting really close to the state title. Eight boys went to state this time and one, Ron Varner, qualified for the finals, taking ninth place. Others who traveled there were Andy Babiarz, Jerry Sparger, John Blackstone, Greg LaPointe, Bill Gregory, Steve Whitlock, and Ralph Whipple. All of them will be returning next year except Blackstone and Whitlock.

The varsity defeated Rich East, 69-63; Leyden West, 74-58; Oak Park, 90-42; Crown Point, 88-44; Concord, 93-39; Lane Tech, 69-63; New Trier, 77-55; Elgin, 92-37; Rich East, 90-42; and Barrington, 83-49. F-S track squads trained for varsity

Coached by Ted Czech, the Frosh-Soph trackmen ran, jumped, and threw with vigor to compile a record of 6 wins and 3 losses. They had two triangular meets, taking second in the Bloom-Lockport-Thornton meet and first in the Kankakee-Kankakee East- Thornton meet.

They overpowered Argo, 80-38; Lockport, 67-51 and 44-23; Kankakee, 75-37; Kankakee East, 75-33; and Oak Lawn, 65-47. Losses were to Joliet, 85-33; and Bloom, 81-44.

A combination of good coaching and hard work produced such good runners as Bob Jackson, Victor Jackson, Darrell Murphy, and John Butler who all turned in good performances in their events. The young cindermen should prove valuable next year.

Varsity trackmen make excellent record

Varsity trackmen had a very successful '62 season and there were hopes for the '63 season being better. The 880 yard relay team, composed of Tom Webster, Steve Smith, Vernis Mims, and Doug Holloway, qualified for the state meet by taking first in district and broke the school record by running a 1:31.8 in the state meet. Doug Holloway also qualified for state by capturing seconds in the 100 and 220 yard dashes in district. Previously, he tied the school record for the hundred at 10.0 seconds. Bob Jackson set a new frosh-soph record for the 440 yard dash at 52.6 seconds.

The 880 yard relay team took first, Holloway took two firsts in the 100 and 220 yard dashes, and the mile relay team took a second. Marcus Richardson took third in the mile run to capture second in conference and then went on to take fourth in district. They defeated Argo, 107-11; Lockport, 103-15 and 45 1/6-6; Thornridge, 106-12; Kankakee, 68 1/3-49 2/3; and Oak Lawn, 76-42. Losses were to Joliet, 60 2/3-57 1/3; and Bloom, 96 5/6-45 1/6. Those returning this year are Doug Holloway, Vernis Mims, Marcus Richardson, Bob Jackson, Dan and Don Masterson, and Paul Owens.

CROSS COUNTRY runners had a fairly good '62 fall season, winning 8 meets and losing 6 while taking 6th place in conference and 9th place in district competition. Team captain Bill Monroe along with Marcus Richardson, Bob Jackson, Dan and Don Masterson, and Homer Thomas made up the main team. Returning next year will be Glenn Stone and Bob Jackson.

Thornton's GOLF team had a good season as they swung their way to a 7-6 win-loss record and took second place in conference and third place in district meets. Six veterans returned in '63. Al Clements, Ray Czupek, Ron Czupek, Larry Gasik, Britt Kaur, and Bill Wojtanowski were all hoping to make the '63 season an even better one.

SCORE-KEEPING—Irene Herron, Cathy Lomax, Sandy Schwartzkopf, Joyce Nelson.

One of Thornton's busiest clubs, Girls Athletic Association, was in high gear again this year. Under the supervision of Miss Fredrickson and other gym teachers, the members, officers, fourteen-member board, and gym class representatives —the forum—were triumphant in the Homecoming parade by capturing first place for their float, third place for their car, and the "Best Entry" award.

GAA divided its year into four sports seasons. Offered were volleyball, basketball, tennis, swimming, bowling, trampoline, Swim Club, and Orchesis. With one season, girls became members and received emblems. With three, five, and nine seasons to their credit, they received numerals, small T's, and GAA's, respectively. A big T was given for nine seasons with honors, as was a gold necklace for twelve seasons plus honors.

Besides sports seasons, members were privileged to take part in the Sadie Hawkins Date-Nite, caroling party, skating party, dance show, play-day, and spring picnic. GAA also participated in the Social Studies Fair.

Officers could be found after school with the board on alternate Tuesdays in the Field House.

Boys Intramurals is a very interesting organization. Requirements for membership are being a male student of Thornton and physically fit to participate. This group, headed by Mr. Frank Eccles, meets five times a week. Their aim is to furnish extra-curricular activities to those interested in physical and recreational activity, but who are not out for a varsity sport.

Intramural basketball was completed in November. Miss Brown's homeroom won in the frosh league. Schuermann-Hicks-Lapertosa's combined homerooms won in the sophomore league. The senior contest was won by the combined homerooms of Burleson-Beier-Washburn. About four hundred boys participated in this sport.

Intramural bowling teams were formed in December. The boys bowled every Thursday afternoon until spring, when softball started.

During the year Mr. Eccles was assisted by Mr. Richard Nichelson and Mr. Gerry Bendle.

Intramurals gave all boys a chance to take part in competitive sports

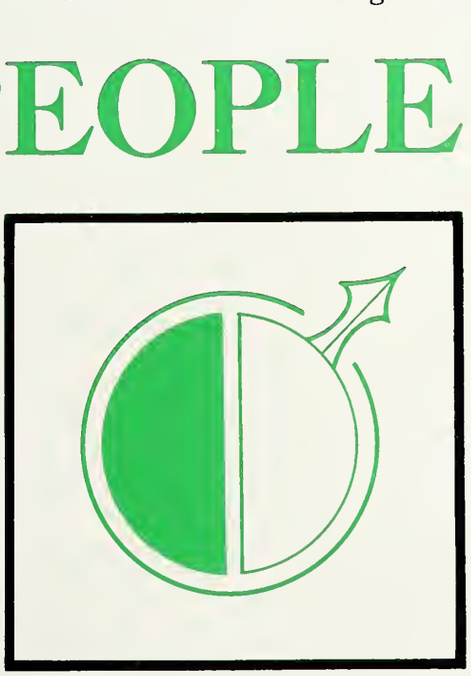
PEOPLE

Faculty, staff, students work together to make Thornton the great school that it is



Superintendent was active in world education

Dr. James D. Logsdon, superintendent of TTHS, TJC, and Thornridge, has again done much traveling in connection with his position.

During the summer Dr. Logsdon attended a meeting of the Atlantic Treaty Association in Strassburg, France. At this convention were delegates from many countries of the NATO nations. At one convocation in the Council of Europe building, Dr. Logsdon spoke on "Social Studies Instruction in the United States."

Currently, Dr. Logsdon is a member of the Educational Policies Commission, one of the oldest and most highly respected committees of the National Educational Association. The committee was organized in 1918.

As co-author of a textbook, Dr. Logsdon has recently completed its time-consuming revision. He reports that **The Effective School Principal** is to be published by Prentice-Hall of New York.

During February Dr. Logsdon attended two national meetings. The first was in Pittsburgh, February 7-13. As immediate past president of the National Association of Secondary School Principals meeting there, he had an active part in the sessions. The second, February 16-20, was the meeting of the American Association of School Administrators in Atlantic City. He was one of a group taking part in closed circuit TV programs, on "Economic Pressures on Teenagers."

It is with pride in his many achievements that all Thorntonites thank Dr. Logsdon for these fine words: "It is my hope that our student body will accept the responsibility of perpetuating the tradition of Thornton Township High School."

SUPERINTENDENT. Dr. James D. Logsdon, B.Ed., M.A., Ph.D., superintendent of Thornton Township schools.

BOARD OF EDUCATION. Mr. Robert H. Reese, Mr. Harold J. Gouwens, Mr. Louis Boudreau, Mr. Henry Vandenberg (president), Mrs. Robert C. Pebworth, Mr. Herbert Greiner, Mr. James T. Ozment.

Board, Administration planned for expansion

The greatest achievement of the Board of Education of Thornton Township High School, District 205, this year was the successful passage of a four and one-half million dollar bond issue during the fall semester. Victory at the polls was the result of research, planning, and determination on behalf of the Board. Because they are elected for over-lapping three-year terms, members had ample opportunity to study carefully all aspects of the project. Thus they safeguarded the future of the school and the district.

Working closely with the Board of Education on the bond issue were Mr. Burton Evans, school attorney, and Mr. A. F. Waldschmidt, township treasurer. Mr. Evans, offering necessary legal guidance, and Mr. Waldschmidt, advising the Board on money matters, combined their efforts and aided in the development of this project.

Mr. J. A. Peterson, business manager of District 205, also helped with the bond issue. It was through his office that the necessary supplies were distributed for district elections.

BUSINESS MANAGER. Mr. J. A. Peterson, B.A., M.S., business manager, secretary of the Board of Education.

ASSISTANT PRINCIPAL
Carl L. Beier, B.Ed., M.S.

Mr. Omer Renfrow, principal of TTHS, is never too busy to talk to students. He feels that a close relation between student and faculty is important in the development of a fine school. His office is always open to anyone seeking his guidance, for he works hard to accomplish those things which will benefit the school.

The assistant principal, Mr. G. R. Valbert, performs such duties as handling registration, student programs, faculty substitutes, and school buses. Being a veteran of TTHS, he is certainly proud of being a part of Thornton's faculty and student body.

Mr. Carl Beier, the college counselor, is always willing to help students desiring information about colleges or scholarships. He works diligently obtaining information on college requirements from various colleges throughout the states. Many times he visits the colleges to talk to former TTHS students as well as to the admissions officials. His work in this area is all a part of keeping his school well informed.

Miss Helene Wilson has been an inspiration to the Girls Club for thirty years. Her advice and diligent participation in making Girls Club activities a success have helped to make the club one of the outstanding organizations of TTHS. Although Girls Club consists of more than thirteen hundred girls, Miss Wilson always found the time to discuss the problems of individual members. She took great satisfaction in knowing that her words of encouragement might inspire some girl to seek the worthwhile things in life. It was a great surprise to all but a very few when she announced her retirement at the end of the first semester.

Mr. Mel DeGraff, a graduate of TTHS, has been connected with Thornton a great portion of his life. He has been Dean of Boys for four years, adviser over Hall Guard activities, sponsor of Boys Club, and swim coach for twelve years. Now, with the increase in school enrollment, his full time is devoted to dean's work. He enjoys working with boys and helping them to develop into good citizens serving the community.

Counselors helped their classes over rough spots

Miss Marthalou Gray, Senior Class counselor, has been with the class for their entire four years at Thornton. Her office is always open to those students seeking her advice in solving the problems which confront them in their daily school life. Besides being counselor, Miss Gray is the sponsor of National Honor Society.

Mr. Toby Hightower, Junior Class counselor and chairman of the Guidance Committee, has been at TTHS for two years. He has enjoyed being a part of TTHS and looks forward to graduating his class.

Mrs. Ruth Harms, Sophomore Class counselor, has a big job this year keeping up with approximately 900 students.

Mr. George Lercher, Freshman Counselor, helps his class become better acquainted with the school through orientation, learning their aptitudes in testing programs, aiding them to set up four-year programs, and giving advice on personal problems. He places great emphasis on getting high school freshmen to understand the importance of doing well in school no matter what the task may be.

All the counselors rely on the psychologists and visiting counselor for expert advice.

To provide for a closer relationship between the administration and the teaching staff is the purpose of the Principal's Advisory Committee, whose members are elected by their departments.

The principal presents ideas and problems and reports action taken on previous committee suggestions. The eighteen members, in turn, give their reactions to the principal's ideas and bring suggestions and questions from the faculty. Thus, the principal keeps in close touch with staff goals and programs. The Advisory Committee meets about four times a year.

Twenty-two Department Chairmen, as a committee, provide all-school leadership plus supervision for their own faculty groups. Within their respective departments, they direct improvements in courses of study, testing programs, and marking and reporting systems. As members of the committee, they assist the principal by conferring with him regularly and by assisting in special assignments. Chairmen also aid in major policy-making decisions, and, with the help of their departments, make budget recommendations. This appointed group meets monthly.

Faculty, Parents helped with school problems

Parent-Teacher Association promotes the welfare of children and youth in home, school, church, and community. P-T.A. board members met once a month in the Girls Club room. Thornton P-T.A. was a principal backer of the school bond issue last fall. Members made a door-to-door canvass explaining the bond issue and leaving booklets of information. They also called people to remind them to vote. Other types of activities were the parents' dinner, an open house at Thornton, the Christmas concert, and their monthly meetings with talks and panel discussions.

Faculty Association, which is headed by Mr. Stanley Clauson of Thornridge, meets four times a year and on special occasions. This faculty organization works for the welfare of both students and teachers. Some of the activities sponsored by the Association are student scholarships, Future Teachers, social activities, credit union, and bowling league. It also deals with professional interests such as sick leave, salary, legislation, and professional growth. Membership in the Association is made up of the majority of teachers from both Thornton and Thornridge.

Central system for the operation of TTHS comes from the Main Office. Located in the new wing, it includes the faculty mailboxes, mimeograph and ditto machines, and the telephone switchboard. Each day attendance sheets are delivered from this office. Incoming, outgoing mails are posted.

Miss Dora Harthun, secretary to Dr. Logsdon, has her office next to the main office. Miss Marian Finchum, secretary to Mr. Renfrow, is in his office on the second floor.

In the office of the Registrar are permanent records such as attendance, personality ratings, credits, and grades. Student report cards and grade averages for honor rolls come from here.

In the Business Office are handled all financial matters, including bookkeeping for clubs. It is a handy place for faculty to cash personal checks, but most important, payroll checks for all Thornton personnel are issued here.

Building, Grounds, and Cafeteria staffs were ready to help the school

Keeping the school in top shape can be a real task, especially if the school is the size of TTHS, but Mr. Howard Doster and staff seem to solve all their problems. With his secretary, Mrs. Irene Williams, and the two shifts of maintenance men and women, Mr. Doster has efficient help. They handle the heating, lighting, cleaning, and other maintenance during the day; at night others act as watchmen. This summer his staff will be adding twelve classrooms over the Homemaking and Art departments.

Operating the school cafeteria can be no less a job than maintaining the school, but under the direction of Miss Florence Waterman and her staff of fifteen everything runs smoothly. It is not easy preparing for 1600-1900 students a day. Keeping the cafeteria clean is not a simple job either. Somehow by the end of the day it is back in order and ready for the next day.

Seniors are always a busy class, and the Class of 1963 was no exception. Money-making projects took up much of their time. They conducted frequent doughnut sales after school along with a few other miscellaneous projects. The money obtained was used for the class gift.

Class business was transacted by the senators, one from each homeroom. They met at least once a month to discuss matters with the class officers and also to give any suggestions or comments. It was then their responsibility to make a report on senate business to their homerooms. Main items with which they were concerned during the course of the year were the Junior-Senior Prom, the class gift, and the much-awaited day of graduation,

Throughout the past four years, the class of 1963 had been advised and guided by their counselor, Miss Marthalou Gray. Mr. Carl Beier, the college counselor, also was very helpful.

Great honor is bestowed on new members of National Honor Society. They are elected from the upper twenty-five per cent of the junior and senior classes. Membership is limited to fifteen per cent of the graduating class, a third of whom may be selected in their junior year. These students are selected on the basis of scholarship, citizenship, leadership, and service, plus faculty recommendations.

Students elected their junior year take an active part in electing officers, holding meetings, and working on projects. This year's project was again the popular selling of paperback books. The sale was both a service to students and a money-making project for the society. Proceeds paid for official pins and tassels as well as the tea given members and their proud parents after the annual Honors Day assembly.

NHS OFFICERS. Peter Lunde, president; Janet Oryhon, secretary; Janet Duley, treasurer.

Flag Day, Honors Day began Senior Week

Honors Day comes but once a year and when it does there is excitement for juniors and seniors alike. This is a day of days for them.

For the seniors it meant a day when recognition was given for those who were outstanding in sports, art, music, mathematics, science and just about every other field. Winners of scholarships and appointments were announced.

Juniors were also excited. This was the day when new members for National Honor Society were announced. Some new senior NHS members were added to the rolls, too. Amid tears, shaking knees, and shining faces they made their way to the platform to receive their pins from gold-tassled officers. Afterwards they were congratulated by the old members and attended a reception in their honor, on the gym stage.

NHS TEA. John Godwin, Mrs. Nora Lynn, Peter Lunde, Robert Parker.

CAPS AND GOWNS. Sue Langhoff, Lauren Noetzel, Judy Bloomquist.

Graduation climaxed four wonderful years

Every senior waits impatiently for his graduation. To some it seems if it will never come, but it finally does.

This year, as usual, the graduates sat reminiscing while speeches were being given. These included remarks by Mr. Henry Vandenberg, president of the Board of Education, by Dr. James D. Logsdon, Superintendent of Schools, and by Mr. Omer W. Renfrow, Principal. Following these were speeches on the past and future of the class by two of its members. Some graduates heard none of this as they were thinking of the four wonderful years they had just spent at Thornton.

All too soon Miss Marthalou Gray was presenting the Class of 1963 their diplomas, which meant the end of their high school days.

GRADUATION. Parents, watching; Seniors on the stage, waiting for the big moment.

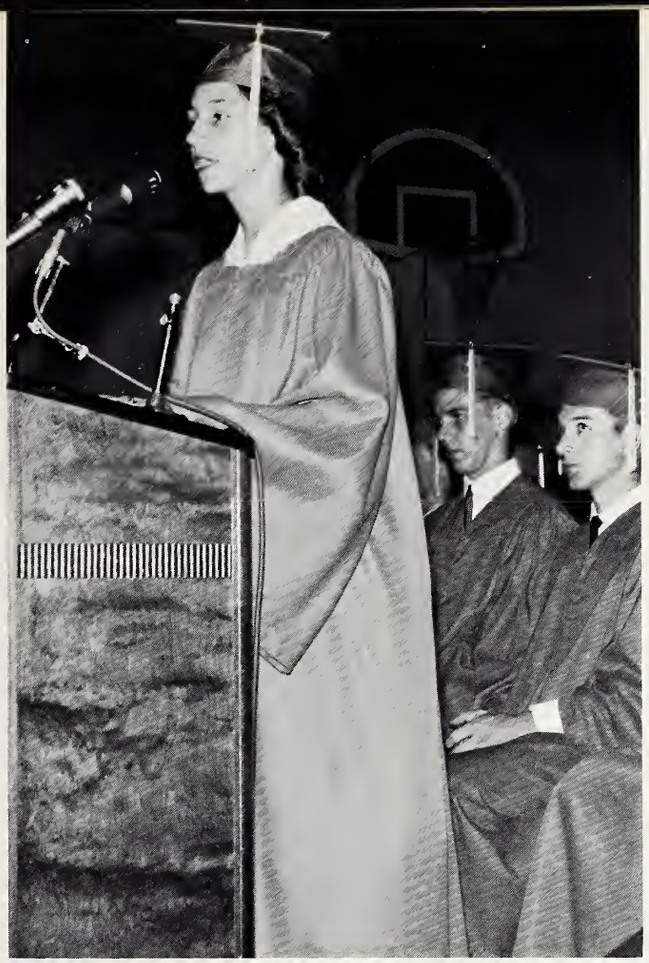
Junior-Senior PROM, 1962, was a beautiful affair, long to be remembered.

DANCERS Lauren Noetzel and Terry Dal Cason had a happy time.

Couples at the TABLES—Linda Hall, Howard Humbles, Phil Caposey, Sue LaPointe.



Judy Bloomquist was a **COMMENCEMENT** speaker for her class of graduates.

Seniors said farewell to four happy years

As caps and gowns **SAILED** through the air, Jim Tilton helped to put them in order again.

Edna Funtall receives her **DIPLOMA** from Mr. Henry Vandenberg as Paula Eytcheson hands him another.

Norma Stenson gets advice from her class counselor, Mr. Toby Hightower.

OFFICERS. Seated: Carole Parks, treasurer; Dan Keller, president; Donna Savageau, secretary. **Row 2:** Shelby Steele, 1st vice-president; Carol Davis, 2nd. vice-president; Victor Lindsay, assist. treasurer; Mary Tilton, asst. secretary.

Staff thanks its many helpers . . .

Mr. E. C. Hackleman for his technical help; Mr. Ralph Van Dyke for layouts and art work; Foote and Davies, our printers; Mr. Bill Snell and the S. K. Smith Company for covers; the Root Studios and all the personnel, but especially Mr. Dohmke, Mr. Roche, Mrs. Brooks, and Mr. Pat Cornejo, for the pictures; the TTHS board of education, administration, faculty, staff, and student body, who made the book possible.

. . . and heaves a sigh of relief

We had fun and a lot of work doing this book. We hope you like it. We are the staff—Lynn Barron, Paula Eytcheson, Mary Griffin (first semester), Carolyn Grotenhuis, Irene Herron, Judy Krachey, Connie Liestman, Linda Maka, Bob McGehee, Carol Parkes, Fronse Smith, Kathy Smith, Valerie Stepek, Dianna Williams (first semester)—and the faculty adviser, Miss Dorothy Washburn.

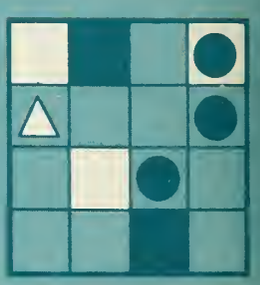
Circle—Symbol for man (student); two halves for man and woman.

Programming—Symbols such as those used on computers like IBM.

Counseling—Indian sign language for ripples smoothing out rough waters.

Testing—Many types of mazes used in modern testing procedures.

College—Complex but systematic organization of acquired knowledge.



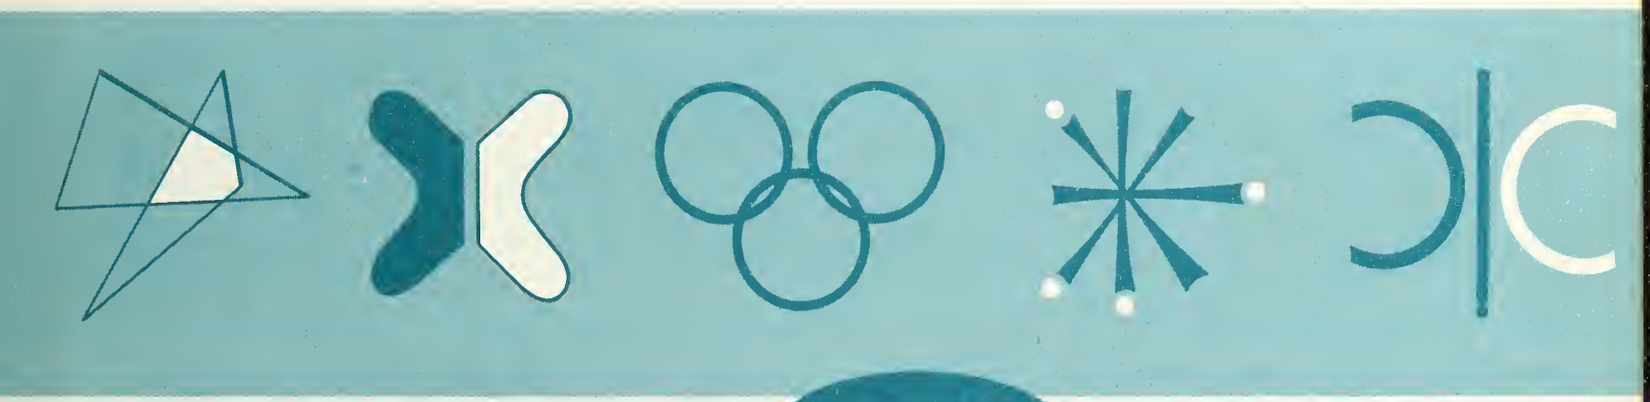
Vocations—Geometric shapes used in building and construction.

Business—Both sides equal; a system of checks and balances.

Athletics—Olympic symbol representing principal games.

Features—Many points of interest; truly a starburst of activity.

Clubs—Each club has its own symbol but this for clubs in general.



Thornton—A modern form of letter T such as machines might use for simple code.
